

bake great!

With: Organic Stone-Ground Flours & Meals, Organic Whole Grains, and Organic Blends

PRODUCT SPECIFICATION

TEFF FLOUR (BROWN & IVORY)

DEFINITION:

- Milled from Teff Grain
- Teff is a fine grain, about the size of a poppy seed that comes in a variety of colors. This whole grain is high in protein, carbohydrates, and fiber. It also has a great amino acid profile, including all 8 essential amino acids (the building blocks of the human body). This means its protein is high quality, like milk or meat. It is also rich in calcium and iron.

PACKAGING/SHELF LIFE/STORAGE CONDITIONS:

- The package consists of a 25 lb or 50 lb multi-wall Kraft paper bag.
- Shelf life of the product is about 12 months if stored at ambient temperatures. It is a year or more if stored refrigerated or frozen

PHYSICAL CHARACTERISTICS:

- The product shall be free of rancid, bitter, musty or other undesirable flavors or odors.
- The product shall be as free of all types of foreign material as can be achieved through Good Manufacturing Practices.
- Microbiological: This product is considered not ready to eat (NRTE) and requires further processing. As a result no microbiological guarantees are provided
- This product is manufactured in accordance with current good manufacturing practices set forth in the Federal Food, Drug and Cosmetic Act and applicable State statutes and regulations.

KOSHER APPROVED: Blue Ribbon Kosher
